

NJCU SCHOOL OF BUSINESS AT FT. MONMOUTH AND JERSEY CITY

Bachelor of Science in Management

Seamlessly Transfer Credits and Earn Your Degree Close to Home With Dual Admissions

The Bachelor of Science in Management is a degree designed to provide students with a strong foundation in business and management. It is a highly sought-after degree that prepares graduates for a variety of careers in the business world. The Bachelor of Science in Management is a four-year degree that can be completed in three years through dual enrollment and credit transfer.

Students can take the first two years of college at their home high school through dual enrollment. After completing the first two years of college, students can transfer to NJCU School of Business at Ft. Monmouth and Jersey City to complete the final two years of college. This allows students to earn their degree close to home and at a significantly reduced cost.
